

COMPANY OVERVIEW

SureLock is a small business based in Eastern Washington specializing in government procurement, product sourcing, supplier coordination, and contract fulfillment support. We operate as a non-manufacturing prime contractor — identifying federal supply requirements, sourcing U.S.-based suppliers, and delivering on-spec, on-time solutions for government buyers.

CORE COMPETENCIES

- Government procurement support
- Product sourcing & supplier coordination
- Industrial supplies & tools
- Bid opportunity analysis
- Vendor relationship management
- IT hardware & electronics sourcing
- Medical & safety supply sourcing
- Office furniture & furnishings
- Vehicle & equipment sourcing
- Contract fulfillment support

DIFFERENTIATORS

- AI-enhanced solicitation analysis and sourcing workflow
- Fast supplier identification and quote coordination
- Broad NAICS coverage across high-demand categories
- Focus on small business set-aside opportunities
- Lean prime-contractor model — low overhead, competitive pricing
